

## road map

The KSAR15 studio is located on the West Valley College campus, which is located at the corner of Fruitvale Ave. and Allendale Ave. in Saratoga, CA.

## campus map

Our studio is located near Parking Lot 7 (what is usually considered the back side of the campus). Along the Campus Drive where it passes by Parking Lot 7, there is a stop sign with a sign to our TV Studio. The crossing at that sign leads to a bridge. The first building on the other side of the bridge is the KSAR15 studio.
